

BGHS CLASS OF 1964 50th Reunion

It's finally here...our 50th Reunion! It seems impossible, doesn't it? But this means that it's time to make your arrangements to take part in our planned festivities on **October 17th and 18th** and celebrate this milestone, renew and revisit old friendships, reflect on those who are no longer with us and the blessings that make it possible for you, and all of us, to attend. You won't want to miss this momentous occasion.

If you haven't had a chance to stay current with our class reunion progress on Facebook (yes, we're keeping up with social media), it's not too late to sign up online, connect with us, and stay up to date on our reunion plans, particularly post-reunion where I'm sure it will be a format to post photos and status updates. If you're keeping to your old fashioned ways, then go to our class website online (www.bghs64.org) for all the same reunion information sans the classmates' comments.

Joyce has established a Class Gift Fund at Wells Fargo Bank to buy a memorial bench on the BGHS campus. Our goal is to collect \$2,500 to purchase the bench, adjoining Jack Baud's, in Memory of our '64 Deceased Classmates in recognition of our 50th Reunion. Anything over and above what we collect for the bench will be donated to the school's tuition fund as part of our class gift. Checks can be made out to BGHS64-50th and notated Class Gift. You will see a place to donate (optional) on your reunion registration form. Please send to:

Gary and Chuck are creating a Memory Book but they need information from each of us. If you have not entered your submission, please go to www.bghs64.org/form.htm. This book will serve as a wonderful keepsake and update of our lives since graduating. They also want to include information about all our classmates who served in the military, so include the dates of service. The book will include pictures in military uniform, along with past school and present-day pictures. Please send those via email **no later than September 5th** to:

Information about registering for the reunion, Homecoming schedule, and group room reservations at the South Point are included with this mailing. Don't miss out!
