LANCE

Messages from past presidents:

Gary Fowler, Student Body President

Greetings fellow classmates on our 55th Anniversary! I am looking forward to gathering with you all to celebrate the '64 Gaels past and present. In life, there are rare opportunities to be a part of such a wonderful community of friends. I thank you all for the joy, love, and memories we have shared. So, let's get it on!

With the deepest affection,

Gary Fowler

BISHOP GORMAN HIGH SCHOOL — 1964

Chuck Giasson, Junior Class President

Congratulations to all of you for making it to the 55th to celebrate life and share memories. It feels like we had our 50th reunion yesterday. Where did the last 5 years go? We will find out tonight as we get an update from our classmates.

I would appreciate it if you would provide your input to the class Memory Book by Oct 20th.

1. Share a memory about your time at Gorman; and/or,
2. Update us on your activities and family.

Our classmates who could not attend the reunion will surely appreciate it. Your input will be placed in the Memory book along with photos taken at this reunion.

You will find the Memory Book at www.bghs64.org.

Send your input to Pat Russell at vette@usafa68.org

God bless you and your families,

Chuck Giasson

**We are the class of '64
Friendship now and evermore!**

'64 @ 25th Reunion

Our sincerest appreciation to those who helped make this reunion possible. Our committee members - Joyce Mauriello Weisdorf, Diana Kowal Mason, Janice Crosato Routsong, Michaelyn Velardo Sutherland, Ken Campbell, Rhonda Cashman Evans, Dale Rodrigues and surrogates who contributed in other ways: Ray Maguiness, Pat Russell, Frank Koot. A special thanks to those of you who donated above and beyond the dinner fee so we could have those extras that made tonight so special. And last but certainly not least - our adopted classmate and creative director for all our printed materials - Roger Routsong, without whose help this would not have gotten off the ground. Go Gaels!
