

# GORMAN HIGH

CLASS OF '64

June 22-23, 1974

Dear Classmates of 64:

Having had a month or so to reflect on the outcome of our 10 year class reunion, I think it's easy to conclude that it was a real success, but of course you can't please everyone.

Most of the other reunions planned were eventually cancelled for lack of interest. It would have been great to have each and every member of the Gorman High Class of 64 present, but it's understandable how some couldn't make it. What was encouraging, were the number that did make it and as far away as the East Coast.

It really brought back the memories to see so many familiar faces standing around and visiting even though I must admit, many of the names were difficult to recall.

There were about 115 in attendance and everyone seemed to be having a great time reliving the "good ole times."

It became difficult for Dave to get our attention away from each other even though he tried his best. At least he was able to present a few awards.

Most impressive was the warmth that was shown and felt by revived friendships that had been in hibernation since 1964.

Thank YOU for making the reunion the success that it was and lets look forward to the next one.

Sincerely,

Patti Mullaley Bartlett

The class of 64 has traveled to all parts of the world: Japan, West Indies, Phillipines, Mexico, Europe, and all over the United States, and into Canada. From the Questionaires returned, we calculate that we have been married a total of 262 yrs. and have produced 76 children. (That we will admit to.)

A special thanks and much appreciation to the committee:

PATTI MULLALEY BARTLETT, who started everything rolling and kept it going, JOSEPHINE MUSSO REISING, who made the arrangements for our cocktail party. JUDY SEVERSON for the ceramic key chains and award mugs. DAVE BARRAZA for our I.D. pictures and for his great M.C.ing. BILL TERRY for being Dave's backbone. SANDY WORBOYS FARINO for heading the picnic DOUG SCHROEDER for all the good ole music FRED COOK & MIKE POTTER.....I don't know how we could have gotten those flower center pieces made without you (one "bump" or Two), not to mention painting the key chains and mugs JANICE CROSATO BROWN for finishing up some of the things we just couldn't do DOUG AND JUDY DUCHARME for the meeting that turned into a boozer. JOE LUPO for working with Dave and Bill on the Awards. etc. DALE RODRIGUES who attended the first and last meeting, whose heart was in the right place her bod just couldn't get there. DOTTIE BRITZ EVANS & DARLA DENNISON BUNCH who started late but none the less were great helpers. And for all the misspelled words improper grammer, & misinformation you can blame me, JERI ANN for the directory, (That just goes to show I haven't changed any since school. I'm still making mistakes).

I think I can speak for all of us on the committee when I say we had a really great time working on the reunion. We were able to see each other at least once a month for the past year not only to plan for the reunion but to get reacquainted. And the fun we had..... well, lets just say we never stopped laughing!!!.....More wine Patti???
